

BIG TENNIS MATCH PARTLY PLAYED WILL BE FINISHED THIS SATURDAY

VAN AUKEN HAD TWO SETS AND KIRKPATRICK ONE WHEN CONTEST WAS CALLED ON ACCOUNT OF DARKNESS—ANOTHER BIG CROWD EXPECTED TO-DAY

The finals in the 1919 tournament of the Narberth Tennis Association for the singles championship was started late last Saturday afternoon. But darkness came on before the players, Messrs. Van Auker and Kirkpatrick, could finish. The match will be concluded this Saturday afternoon. An effort will be made to start playing at 3 o'clock.

The first two sets were won by Van Auker, the first one in quick order. But in the second Kirkpatrick began to "get on to the Navy man's speed and curves," as they are saying in Cincinnati and Chicago this week, and the score was much closer, 6-4, whereas the first set was 6-2. In the third set Kirkpatrick struck something of his old stride and won 6-4.

Next week, with the match concluded, we will publish a full score and analysis of the complete contest, but it is interesting to note now that in last Saturday's playing Van Auker won 9 of his 14 serves, and Kirkpatrick won 7

of his 14 serves, giving the former a slight advantage in this respect, showing that 7 times Van Auker broke in on Kirkpatrick's service and won, whereas Kirkpatrick broke in on Van Auker's serve and won only 5 times. In the matter of love games Van Auker won 5, while Kirkpatrick didn't win any. In the three sets Van Auker scored 95 points for a total of 16 games, while Kirkpatrick scored 79 points for a total of 12 games.

Other Tournament Matches.

Other matches in the several tournaments played during the past week resulted in the following scores:

Singles, semi-finals—Van Auker defeated Warwick, 4-6, 6-0, 9-7, 6-3.

Mixed Doubles, first round—Miss Irwin and Mr. Pattison defeated Miss Justice and Mr. Muschamp 6-3, 8-6.

Singles Consolation, semi-finals—Muschamp defeated Kruse, 6-4, 5-7, 6-2, 8-6.

Community Club Luncheon Next Tuesday

The Community Club will open its fall season with a lawn social. All the members are requested to bring a box luncheon on Tuesday, October 7th, at 12 o'clock noon, at the residence of Mrs. H. A. Jacobs, Wynnewood and Elmwood avenues. This is termed a surprise meeting and will be held on the lawn following the box luncheon.

Many of the members have been inquiring when the Club would meet, so do not fail to make this event the most important engagement for Tuesday, October 7th. Come and see what surprises are in store for you.

Y.M.C.A. Gymnasium Opens October 1

MR. E. E. ELLIS, PHYSICAL DIRECTOR OF NARBERTH SCHOOLS, WILL DIRECT PHYSICAL DEPARTMENT ACTIVITIES.

Arrangements have been completed by the Association to give the boys and girls, men and women of Narberth the usual first-class opportunities for physical culture and recreation.

Afternoon, evening and morning periods have been arranged in accordance with schedule shown below, which experience seems to indicate are best suited for the different classes.

The co-operation between our school and the Association, and our good fortune in being able to secure Mr. Ellis, makes possible the comprehensive schedule of gymnasium work.

Physical fitness is a duty, not only to ones self, but to his town and country, and it is hoped large numbers of our people will avail themselves of the opportunities afforded at our local Association gymnasium for the development of this fitness.

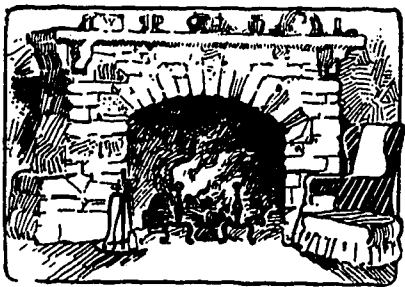

Mr. Ellis promises to combine plenty of recreation with his training. A new feature of the work to be undertaken will be a class in boxing and wrestling for the Junior and Senior High School boys.

In spite of the increased cost of everything, and in contrast with the usual trend of things, our dues this year are as in the past; reasonable and within reach of all. Ask the Secretary. You will find it worth while.

The schedule is as follows:

Business Men—Monday and Thursday, 8.00-9.00 P. M.

Women—Tuesday, 8.00-9.00 P. M.

THE FIRESIDE

The October meeting of the Main Line Community Council will be held at the Milestone, Lancaster avenue, Bryn Mawr, at 8 P. M. on Tuesday, October 7th.

Mr. and Mrs. F. Richard Gifford, who have been spending their vacation at Finesville, N. J., have returned and are entertaining Miss Daisy Young as their house guest.

Our Highway Department has made a fine job of re-surfacing Windsor avenue, from Essex to Conway, and is getting ready for the stretch between Conway and Wynnewood avenues.

Mrs. William McKinney and family have returned from Ocean City, where they have been spending the summer and are back in their home on North Essex avenue.

At the close of the sermon in the Presbyterian Church next Sunday morning, Mrs. Rust, the popular soprano of the Church Quartette, will sing the beautiful new song, "Go to the Depths of God's Promise."

Narberth Veterans Form American Legion Post

On Friday evening, September 26, Mr. E. Pennell, County Organizer, met the service men of Narberth in the Fire House, to form a chapter of the American Legion.

This organization was formed in France and is founded on such fine ideals of Americanism that it is growing by thousands daily. Posts are being formed in most every town in the country, and while they are all temporary, just at present, the Pennsylvania State Convention will be held in Harrisburg on October 2, 3, 4, and the National Convention in Minneapolis for three days about November 10, 11, 12. After these conventions, the organization will be a permanent one.

The constitution and history of the American Legion was read by Mr. Pennell to the Narberth boys, thirty-seven, of whom attended the meeting, and the following officers were elected for the Narberth Post:

George O. Smith, Chairman.

Irwin Ward, Vice-Chairman.

Harry A. Simpson, Secretary.

H. Newton Compton, Treasurer.

Posts are to be named in honor of someone in the district who has given his life, or exception service in the war; this name to be carried by the Post during its existence.

The call, "When do we eat?" was answered by the families of the boys, and substantial refreshments were served, after which the meeting adjourned.

More news regarding the Foreign Legion will be found in the columns of Our Town.

The next meeting will be held during the week of October 6-11.

HONORS FOR ONE OF OUR MOST RESPECTED CITIZENS.

Mr. William Kirk, Jr., of Woodside avenue, who is one of Narberth's oldest and most respected citizens, was highly honored this past week on the occasion of his retirement from active service with the Pennsylvania Railroad Company, with which he has been associated for forty-three years.

On Tuesday Mr. Kirk retired as chief bookkeeper in the office of the general manager, where he has been for thirty-eight years, having outlasted half a dozen or more general managers. Although he is seventy years old, he looks younger and says he feels even younger than he looks.

Col. J. W. Study, acting for the employees of the general manager's office, presented Mr. Kirk with a set of traveling bags.

General Manager R. L. O'Donnell has written Mr. Kirk a letter, praising him for his years of faithful service.

Mr. Kirk will retire on a pension. He was born September 6, 1849, and entered the employ of the Pennsylvania Railroad in October, 1876. He went to the general manager's office in October, 1881.

And Our Town wishes to add its best wishes to the others and extend to Mr. Kirk our congratulations on his long and splendid services.

ARDMORE WELCOME DATE CHANGED.

The date for the big welcome home celebration for Ardmore's service men, which is being arranged by a committee of the Ardmore Chamber of Commerce, has been changed from October 11 to October 18. The original date was discarded when Governor Sprout selected the same one as "Victory Day." Thomas Cronin, chairman of the Celebration Committee, promises a big entertainment for the returned heroes of the Main Line town and nearby sections.

Suffrage Notes

The regular monthly meeting of the Montgomery County Suffrage Association will be held on Wednesday, October 8, at 10.30 A. M., at 1606 Finance Building, Philadelphia.

Narberth Meeting.

The monthly meeting of the Narberth Suffrage Association will be held on Friday, October 10, 3 P. M., at the Y. M. C. A., Narberth.

NOTICE.

Ashes will be collected on the north side Thursday, October 9, and on the south side, Friday, October 10.

C. E. HUMPHREYS,
Street Commissioner.

DEATH OF MR. JOHN THORTON BALSLEY.

On Saturday, September 27th, Mr. John Thorton Balsley "entered into rest." Coming to Narberth one year ago to spend the years which he thought might be his in happy, restful retirement, as our town seemed to him to offer what he most desired, he and his wife chose the pleasant home at the corner of Merion and Essex avenues. Ill health prevented active participation in the affairs of the town, but his intelligent, quick, responsive spirit won the respect and high regard of those who were fortunate enough to know him.

Few indeed leave such a splendid record of long, intelligent, faithful service. For over fifty years he had served the Pennsylvania Railroad Company with rare fidelity and had risen to the position of Freight Train Master, and was fulfilling the duties of that position at Harrisburg when he retired. He had spent fifteen years with the company at Philadelphia and had an extended acquaintance along the entire Philadelphia Division.

His interment occurred at Harrisburg, where the Rev. John Van Ness officiated and his Masonic friends paid their tribute of regard and affection.

ASH COLLECTIONS NEXT WEEK.

The Borough ash collections will be made next week. On Thursday, October 9, the collections will be made on the north side, and on the following day, Friday, October 10, collections will be made on the south side.

Editorial

Hard work and maximum production with economies and conservation are the sane people's means of meeting the high cost of living caused by loafing, strikes, extravagance and living only for the day, not the morrow. Constructive effort made the United States, and destructive effort will not make a better country.

To the Editor of Our Town:

Last week your correspondent, "Bright Idea," gave us a very interesting letter. Fortunately the writer had first read your leading editorial regarding suggestions and criticisms, and so he hopes that "Bright Idea" is a man with a punch and willing to give any good proposition a boost. His position is well taken, although his letter seems to indicate that he was to an extent reckoning without the facts.

As to the physical arrangement of lay-out he suggests, it is an architectural impossibility, as our deep study of the situation has revealed. Our plans when published we think will merit his approval.

As to Memorial, we have no disposition to pre-empt it. Our thought was, and is, that as a Memorial of practical benefit to the boys who have returned, our proposition can't be beat. However, the Memorial Committee thought otherwise, as our plans were submitted to them as a suggestion at their request, and coupled with our suggestion was our offer of the valuable plot of ground we own, and the very considerable sum (running into five figures) that we already have pledged to the "Y" proposition.

The Association does know, however, that it owes a duty to the Town, and feels it is a good and proper medium through which the town should meet its duty to its boys and girls; and many there are of them.

The sect and creed feature our friend "Bright Idea" seems to stumble over does not exist. The very appreciation of our responsibility as a wholesome, all-round, community center precludes it. The members of our Association, and those using our building, are requested to state their religion, together with other data, as a matter of record—and record only. Beyond that the Association does not go, nor has it any intention of going. All are welcome, as the cosmopolitan crowd of boys will affirm.

Quite naturally any worthwhile movement must have a head and an organization back of it. With very few exceptions, community efforts, not headed by a responsible organization have blossomed and faded, fallen away because of the lack of that permanent responsibility and incentive so essential. This is a condition Narberth should guard against.

What we want, hope and expect to do is to give our boys and girls, men and women—all of them, whoever they are—a real place for recreation in spare hours; a real center for moral and physical development; a real attraction for the furthering of that wholesome community spirit already strong in Our Town, but possible of still further quickening.

Now, friend "Bright Idea," come on, jump in and help us. You'll feel better.
T. NOEL BUTLER,
Vice-President, Narberth Y. M. C. A.

To the Editor of Our Town:

Judging from the famine in news contributions, one might think Our Town was a money-making scheme for the benefit of the Editor and his associates.

A glance at the upper right-hand corner of page two in each issue quickly dispels any such illusion. This journal is published for the benefit of the two thousand and more residents of Narberth. No salaries or dividends are paid, and all editorial work is done out of sheer good will toward the community.

The mere fact that Our Town was obliged to suspend publication three during the summer for lack of finances is evidence enough that it is not a revenue producer.

All of which means that if the townspeople do not take sufficient interest in their paper it might have to cease altogether. In that case a valuable social influence would be lost. The merchants would lose money by their lack of advertising, the churches and Y. M. C. A. would suffer somewhat, and, in fact, all of Narberth would be affected by such a backward step.

The Editor is good-natured and willing to do more than his share for the common good, but he cannot interview everyone in town each week.

He cannot go around pushing door-bells in order to find if a baby was born in the house recently, if someone

chairman, has issued an appeal for soldiers' letters written to home folk and friends from camp and field. Persons possessing interesting data are asked to send it to the Pennsylvania War History Commission if they will send copies of any printed letters to the Commission.

Lovers of romance and melodrama will find a large supply of both in "The World and Its Woman," with Geraldine Farrar as an American heroine brought up in Russia, and Lou Tellegen as a Russian prince, who goes through the revolution and is glad to give up his rank and title to become an American citizen. It is the first picture in which the famous operatic star and her famous husband have appeared together, and will be shown at the Palace Theatre, Ardmore, on Wednesday, after showing two weeks at the Chestnut Street Opera House.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
